

They've always said I have a good face for radio...

On Thursday, July 20th, I was interviewed by *Relevant Radio* (1430 AM) talk show host John Harper during the broadcast of his show *Morning Air*.

Please click the link below. If you move the time bar up to approximately 26 minutes, you'll be near my spot on the show. I always sing the praises of Holy Spirit School!

Thank you for listening and for your support.

God bless,

Armand Lamberti
